

Prayer (30 March 2025)

Lord Jesus, on this Fourth Sunday of Lent, you invite us to rejoice, to be glad and to have trust, and you do so by once again revealing to us the merciful face of God the Father, a Father who reconciles us to himself through his constant forgiveness, giving us the joy of living in a relationship as his children. Grant that this gift which comes to us through your Heart, make us merciful to one another and to everyone, but especially to those who suffer loneliness, abandonment and exclusion. Amen
